ECOLOGICAL MONOGRAPHS

A QUARTERLY JOURNAL
FOR ALL PHASES OF BIOLOGY

Issued on the fifteenth of December, March, June, and September

EDITORS: BOTANY, C. F. KORSTIAN, Duke University, Durham, N. C.
ZOOLOGY, A. S. PEARSE, Duke University, Durham, N. C.

BUSINESS MANAGER: EXIE DUNCAN, Duke University Press.

MEMBERS OF THE EDITORIAL BOARD

1940-42

Z. P. Metcalf, North Carolina State College, Raleigh, North Carolina.
J. E. Weaver, University of Nebraska, Lincoln, Nebraska.

1941-43

Chancey Juday, University of Wisconsin, Madison, Wisconsin.
Homer C. Sampson, Ohio State University, Columbus, Ohio.

1942-44

J. M. Aikman, Iowa State College, Ames, Iowa.
H. J. Van Cleave, University of Illinois, Urbana, Illinois.

EX OFFICIO: Charles E. Olmsted, University of Chicago.
Thomas Park, University of Chicago.

The editorial board of this journal will consider ecological papers which are long enough to make twenty-five printed pages or more. Shorter ecological papers should be submitted to the editor of *Ecology*, which is also published by the Ecological Society of America. Both journals are open to ecological papers from all fields of biological science.

Manuscripts should be typewritten and may be sent to any member of the Editorial Board. Proof should be corrected immediately and returned to the Managing Editor at the address given above. Reprints should be ordered when proof is returned. Fifty copies, without covers, are supplied to authors free; covers and additional copies at cost. Correspondence concerning editorial matters should be sent to the Managing Editor; that concerning subscriptions, change of address, and back numbers to the Business Manager.

Subscription price, \$6.00 per year. Parts of volumes can be supplied at the rates for single numbers, \$1.50 each. Missing numbers will be supplied free when lost in the mails if written notice is received by the Business Manager within one month of date of issue. All remittances should be made payable to the Duke University Press.

Agents in Great Britain: The Cambridge University Press, Bentley House, 200 Euston Road, London, N.W. 1. Prices can be had on application.

Entered as Second-class Matter at the Postoffice at Durham, North Carolina

The Ecological Society of America

OFFICERS FOR 1942

President, C. F. KORSTIAN, Duke University, Durham, North Carolina.

Vice-President, C. E. ZOBELL, Scripps Institution, La Jolla, California.

Secretary, W. A. DREYER, University of Cincinnati, Cincinnati, Ohio.

Treasurer, ROYAL E. SHANKS, State Teachers College, Clarksville, Tennessee.

Additional members of the Executive Committee, W. S. COOPER, ALFRED E. EMERSON,
W. J. HAMILTON, JR., CURTIS L. NEWCOMBE.

AIMS

THE ECOLOGICAL SOCIETY OF AMERICA was founded in 1915 for the purpose of giving unity to the study of organisms in relation to environment, as a means of furthering intercourse between persons who are approaching widely different groups of organisms from closely related points of view, for the stimulation of ecological research, and to assist the development of the utilities which may be served by ecological principles.

MEMBERSHIP

Membership is open to those who are interested in the advancement of ecology or its applications, and to those who are engaged in any aspect of the study of organisms in relation to environment.

The following classes of membership are recognized:

Sustaining Life Members, minimum fee \$200.00.

Life Members, fee \$100.00. Funds obtained from the fees of both classes of Life Members are permanently invested.

Contributing Members, annual dues, \$2.00 to \$10.00 or more.

Institutional Members, annual dues, \$6.00.

Sustaining Members, annual dues, \$10.00.

Active Members, annual dues, \$5.00.

Associate Members, annual dues, \$1.00.

Three dollars of the dues received from active members, or of the interest in the case of Life Members of both classes, are applied as the annual subscription to *ECOLOGY*. Six dollars of the dues of Sustaining Members, and of the interest from the fees of Sustaining Life Members, are applied as the annual subscription to *ECOLOGICAL MONOGRAPHS*, the quarterly journal for longer articles. Members in arrears for dues will, on payment, be supplied with back numbers so far as they are available, but the journals do not hold themselves responsible for reserving back numbers in anticipation of the payment of back dues.

Associate members will be accepted for a single period of not more than three years with annual dues of \$1.00. Such members do not receive *ECOLOGY* and are not eligible for office, but may become members in any one of the above classes upon the payment of the appropriate dues.

All members receive the *BULLETIN OF THE ECOLOGICAL SOCIETY OF AMERICA*, issued by the Secretary in March, June, October, and December. It contains announcements of meetings and excursions of the Society, abstracts of papers, programs, items of current interest to members, and occasional membership lists.

Checks should be made payable to Ecological Society of America. Application blanks for membership may be obtained from the Treasurer, to whom all correspondence regarding membership should be addressed.
